

SPECIAL DECLARATION OF CONFIDENTIALITY for persons who carry out assignments, etc, for Statnett SF	
Name:	
Company/institution:	
Date of birth. (6 digits):	

As a condition for receiving information in connection with an assignment for Statnett or as a result of receiving sensitive information for other reasons, I undertake to comply with the following confidentiality obligations:

I. General duty of confidentiality

- I undertake to treat all information connected to assignments for Statnett as being strictly confidential unless there is a mandatory duty to disclose this to a third party.
- I undertake not to use the information, either directly or indirectly, for any purpose other than to carry out the assignment for Statnett.
- I undertake to treat any information of a sensitive nature that I receive from Statnett for reasons other than due to an assignment as being confidential.

The duty of confidentiality applies among other things, but is not limited, to any results, reports, underlying documentation, plans, business analyses and other business secrets.

The duty of confidentiality does not, however, apply to information that:

- (1) is or becomes in the public domain without this being due to a breach of this duty of confidentiality
- (2) the recipient can document having had in his/her possession before it was provided by/received from Statnett.

II. The duty of confidentiality linked to energy-sensitive and/or classified information

- I undertake to comply with the provisions stipulated in §§ 6-1, 6-2 and 6-4 of the Norwegian Energy Supply Emergency Preparedness Regulations (*Beredskapsforskriften*) by protecting and not disclosing sensitive energy supply information.
- I undertake not to disclose information that is classified according to the Norwegian Security Act and I am aware that receiving and handling such information requires security clearance in accordance with the Security Act.
- I undertake to comply with local security provisions of which I may be informed.
- I undertake to become familiar with the Energy Supply Emergency Preparedness Regulations, especially §§ 6-1, 6-2 and 6-4, and any other local or national security provisions (including the Security Act if relevant).
- I declare that I have read and understood the contents of the regulations/documents referred to above.

I understand that the confidentiality obligations are not limited by time and that they also apply after the assignment has been completed.

I declare that I understand that a breach of these obligations may involve criminal liability and personal exclusion from the assignment.

This declaration of confidentiality is to be subject to Norwegian law.
